

SILIANO ODUNO

FEATURING DA FUCHAMAN

ONLY LOVE:

This song contains an important message:

WE'RE ALL PART OF A
GREAT CREATION
READY TO OVERCOME
RACE OR NATION

ONLY LOVE - ONE HUMAN RACE

Siliano Oduno wrote this modern-reggae-pop-song in 2019, but the message is more relevant than ever. The unrest in the world, the problems with equality and equal treatment for all people confirm his message that we are all of one race: the human race. We should also overcome the separation of nations and end mutual exploitation and oppression.

MY MUSICALLY ROOTS

Musically he grew up with Africans, people from the Caribbean, Jamaica and many cultures around the world and in Europe. We have names. Let's stop naming us by colors.
